Welcome Message

RECONNECT. RECHARGE. REDISCOVER.

Escape the everyday, embrace the wilderness, and create unforgettable memories with our premium outdoor experiences. Whether you're celebrating a children's or adults birthday, planning a hen or stag party, or simply enjoying time with family, friends, or your partner, we offer bespoke adventures tailored just for you.

Choose from our diverse range of activities, including archery, geotagging, mountain biking, bushcraft, paddleboarding, and kayaking. Reconnect with nature, boost your mental well-being, and bond with your group through the joys of fresh air, thrilling challenges, and laughter-filled moments.

Let us craft the perfect outdoor escape—designed to bring you closer, inspire fun, and leave you with memories that last a lifetime.

Mission and Values

“ We exist to provide joy, inspiration and education for all, through positive, quality, safe and fun outdoor adventures in nature. ”

POSITIVE

Optimism fuels outdoor adventures! We inspire a love for learning, growth, and enjoyment in every experience.

QUALITY

Expert instructors and top-tier gear ensure premium adventures with real value.

SAFE

Safety is our priority. We maintain a professional environment through regular checks, training, and risk assessments.

FUN

Fun drives everything we do! Every session is a chance to learn, grow, and enjoy to the fullest.

How it works

You take a look through our brochure and find out what we can offer you and your group of friends or family.

Which Activity Suits You?

Communication and teamwork

Activities like Bushcraft, Teamwork Challenges, and Guided Nature Walks challenge people to communicate, collaborate and solve problems creatively, strengthening teamwork and decision-making skills.

Trust and accountability

Trust building activities such as Paddleboarding, Kayaking, and Geotagging encourage participants to rely on each other, fostering a sense of accountability and mutual support.

Resilience and adaptability

Engaging in new experiences like Kayaking, Firelighting or Archery Tag teach resilience and adaptability, valuable traits for navigating the uncertainties of changing environments.

Wellbeing and connection with nature

Immersive outdoor experiences promote positive mental well-being, reduce stress, and encourage mindfulness, allowing individuals to recharge and improve focus

Leadership and confidence

Skill-based tasks such as our Teamwork Challenges and Geotagging empower individuals to take on leadership roles, and challenge themselves, boosting confidence and initiative.

Why Choose Us?

We're immensely proud to have worked with many private groups from small family gatherings, private paddles for a couple, large family celebrations, hen parties, stag do's, children's birthday parties and more.
You dream it, we'll make it happen!

We have also worked with many schools and businesses, check out a few of them ...

Where we work
Our home is at **Sutton Hoo Farm, Woodbridge**, in the Suffolk Coastal AONB.

But we also run private events at homes, holiday cottages, external sites and our partner venues.

Customer Testimonials

Family Group

An absolutely fantastic experience for the whole family. A beautiful setting in a calm and peaceful area surrounded by woodland. We enjoyed archery and bushcraft - our 8 year old particularly enjoyed learning all about a Kelly Kettle. Instructors were extremely knowledgeable, friendly, adaptable and patient.

Thank you!

Stag Party

We used East Coast Adventures during a stag weekend, and we had an exceptional paddleboarding experience. Knowledgeable and friendly staff, top-quality equipment, and a stunning location.

Thank you ECA!

Children's Birthday Party

Thank you for an absolutely epic birthday party experience!

A wonderful time was had by all. A very happy birthday boy enjoyed every second of this completely unique experience. Thank you for all your hard work guys! Rachel, David & Teddy

x

Hen Party

Great communication and activities were well run. The bride to be had a lot of fun axe throwing (even if we were all a bit scare of her assassin level of skill!)
